PASSION FOR WINE AND LIFE

## 海風吻過的Maremma佳釀 Pecked by Sea Breeze

身為意大利耀眼的明星產區，Tuscany之於意大利，就好比Bordeaux之於法國。  
就在這樣一片熠熠生輝的佳釀聚集地，有一顆新星竟能閃出重圍，  
冉冉升起——就是曾在2017年  
世界最佳葡萄酒大賽中包攬了意大利葡萄酒競賽環節所有獎項的Monteverro。

Wine runs deep in Tuscany, woven as it is into the cultural identity of this central Italian region. Here at this ultimate wine region, the pride of Italy, a rising star is now shining above – Monteverro, who made a clean sweep of the prizes at Italian wine session of Best Wine of the World 2017 Competition.

Monteverro坐落在意大利Tuscany南部，風景如畫的Capalbio村莊中，位於Maremma的心臟地帶，這片地區以其原始的自然風光和悠久歷史而聞名，優秀的風土擁有著巨大的潛力。自2003年以來，Monteverro團隊懷著對優質葡萄酒的熱愛，始了他們的旅程，為創造出最高品質、最正宗、最獨特的葡萄酒而奉獻無限激情。

Monteverro的葡萄酒完美展現了當地的風土個性——紅色粘土混合蝕化的石頭土壤和微氣候的完美結合。在葡萄園，陡峭的山坡，緊鄰大海和接壤的Macchia與地中海的氣息形成了獨特的微氣候。凜冽的風、涼爽的夜晚和陽光普照的白天為葡萄的生長創造了最佳條件，葡萄也都從這一與眾不同的土壤組合中獲取了獨特而豐富礦物味道。

酒莊的旗艦酒Monteverro更屬托斯卡納的Premium Grand Cru等級，代表著頂級的品質和獨特的風格，以Cabernet Sauvignon、Cabernet Franc、Merlot和Petit Verdot釀成。這款旗艦酒的產量有限，只從延伸到大海的陡峭山坡上最好的葡萄園裏採摘葡萄。Monteverro那絲滑的口感、相當的複雜性和令人印象深刻的豐富香氣，除了歸功得天獨厚的風土，還得益於在法國橡木中長達24個月的陳釀，以及團隊在葡萄酒釀造的每一個階段都無比嚴謹的管理。

In southern Tuscany, at the foot of the picturesque village of Capalbio, lies Monteverro. The estate is located in the heart of Maremma – a region renowned for its untouched nature and tradition, and is characterized by a love of life and authenticity of nature and mankind. Monteverro began its journey in 2003 from Georg Weber's passion for outstanding wine. The love of the Maremma region and desire to achieve the utmost quality wines are their passion, aiming to create authentic and unique wines among the world's best.

Wine from Monteverro borrowed their outstanding character from the special terroir – a perfect combination of soil and microclimate. At the vineyards, the steep slopes, the immediate proximity to the sea and the bordering Macchia with its Mediterranean aromas offer a unique microclimate. The brisk wind, cool nights and sun-soaked days create optimum climatic conditions for the growth. Their vineyards gain singularly mineral-rich character through the special composition of the soil – red clay mixed with eroded stones.

The flagship wine, Monteverro, is a Premier Grand Cru of Tuscany, that stands for absolute top quality and unique character, which is a Cuvée of Cabernet Sauvignon, Cabernet Franc, Merlot and Petit Verdot. This flagship wine is produced only in limited quantity from grapes from the best plots of the steep hillside slopes that run right down to the sea. The Monteverro owes its silky structure, unmistakable complexity and the impressive richness of aromas in its taste due to meticulous sorting as well as selection, 24 months aging in French oak, and the scrupulous care taken at every stage of the wine making process.
